

All Saints Parish Plant Committee Minutes
Thursday May 4, 2023
5:30 pm Parish Library

In Attendance- Brian Talyat, Dave Schimberg, Mike Wallerstedt, Ron Hau, Lynn Holverson, Tom Amosson, Larry Selensky, John Beasley, Tracy Huk, Dan Prentice

Welcome & Prayer

John Beasley- Maintenance

John has been working on trying to figure out the leak in the ceiling and the cafeteria. This is something that we've had trouble with over the years and we are thinking it maybe water coming in from the outside through the unit on the roof, not an actual leak in the roof. He also let us know that the backup generator for the school has been installed and is in working condition. We also have hired a full time custodian that works during the day and also assist John as needed. Lastly the snow removal budget went slightly over due to all the ice we had towards the end of the season.

Tracy Huk- Business Manager

Tracy mentioned that she received estimates to fix a few windows in the church that are having problems with the seals and letting moisture into them. We agreed it made sense to fix a few of them but we are holding off on fixing the heat rated windows since the initial estimates came in such a high cost. She will look at a few other companies to see how they compare and cost. We also discussed looking at what it would cost to refinish all of the pews in the church, repaid the kneelers and replace the carpet in the sanctuary. Tracy said she will work on getting these estimates as well and then report back to the group.

Old Business-

School Backup Generator- Tracy mentioned to the group how much a maintenance agreement would be which came in around \$400 a year. We all agreed it made sense for us to set this up for the new generator we installed in the school.

New Business-

I proposed to the group that starting with the 2023-2024 school year we start meeting every other month unless we need to meet more often than that. We agreed that this makes sense and we will still meet in June, have our normal no meeting in July, then start the every other month meeting schedule with our first meeting in August.

Announcements- Next meeting on Thursday June 1, 2023 @ 5:30 pm, Parish Library

Adjournment-

2022-23 All Saints Parish Plant Committee Members: Brian Talyat (Chair), Bill Knapp, Dave Schimberg, Mike Wallerstedt, Tracy Huk, John Beasley, Zach Huk, Tom Amosson, Dan Prentice, Larry Selensky, Ron Hau, Lynn Holverson
