

All Saints Parish Plant Committee Minutes
Thursday August 3, 2023
5:30 pm Parish Library

In Attendance- Brian Talyat, Dave Schimberg, Mike Wallerstedt, Larry Selensky, John Beasley, Tracy Huk, Dan Prentice

Welcome & Prayer

John Beasley- Maintenance

The school is about ready for the upcoming school year. The carpets have been cleaned and the tile is getting cleaned next week. We had the concrete replaced in the front of the school and think we have now solved the issue and why we were having problems with it in the first place. D&N fencing will be in to install the fence around the two year old playground. Plywood was used to cover the windows next to some of the doors in the school, which now we may need to replace the doors to have the glass panels in them to be in compliance with Virtus. John also mentioned that we're having some issues with some of the concrete on the exterior of the church and once he showed us the photos of a couple spots we agreed it made sense to recommend these be repaired right away which are roughly about \$13,000. Tracy will talk to the finance council to get approval so we can move forward on this prior to our next meeting.

Tracy Huk- Business Manager

Tracy is still working on getting estimates lined up on what it would take to redo the church pews and the kneelers. We're also working on finding a company to do the tuck pointing to see how much that will cost as well. there is remaining work that may be needed to be done as well on the exterior of the church and we discussed possibly doing a campaign of some kind to take care of those repairs along with the pews in the church. we agreed it made sense for us to meet next month rather than skipping that meeting to stay on top of these items.

Old Business-

New Business-
