

**All Saints Parish Plant Committee Minutes**  
**Thursday September 5, 2024**  
**5:30 pm Parish Library**

In Attendance- Brian Talyat, Mike Wallerstedt, Ron Hau, Tom Amosson, Jason Ainsworth, Larry Selensky, Tracy Huk, Dan Prentice

Welcome & Prayer

Jeremy Lutz- Maintenance (absent) Tracy read us Jeremy's report. She let us know that he and Bernie were able to clean the floor in the church basement using the scrubber. He plans on putting together a crew to help remove the trees around the large units behind the church garage. He also plans on shampooing the carpets in the church in the near future as well. Overall things are going pretty good regarding maintenance at the church.

Tracy Huk- Business Manager

Tracy Also added that Jeremy has ordered new hinges that are stainless steel that he will install on the main entrance doors to the social hall due to the hinges on there currently being severely rusted. She also mentioned that we're continuing to pluck items off of our list from our walk through we did last month.

Old Business-

Sink hole- With the help of Tom Amosson we are moving forward with digging up the area around the sinkhole. Venture Concrete will start this coming Monday and said the process should take two or three days to complete.

New Business-

Brian let the group know that he's meeting with the landscape architect tomorrow to discuss some options around water flow on our property and all of the erosion problems we are having.

Announcements- Next meeting on Thursday October 3, 2024 @ 5:30 pm, Parish Library
